## About the Artist

Nursel Önen is a contemporary painter and sculptor with over 25 years of national and international experience in architectural art and decorative design. Today, she reinterprets this background through a distinctive universe of collectible characters that merge contemporary imagination with sculptural craftsmanship.

Living and working in Türkiye, Önen has participated in international art fairs, biennials, symposiums and exhibitions. Her works have reached collectors and audiences across the United States, Europe and the Far East, earning recognition through numerous international projects and awards.

With 18 solo exhibitions and participation in many group exhibitions, she continues her artistic production through collectible sculptures that bring together modern expression, emotional storytelling and contemporary elegance.
